Additional Case Information:

Site fallow since previous inspection and not stocked since transferred back to NAFC from Grieg Seafood Shetland. All tanks are fallow and there are no current plans for restocking.

BMP and FMS are due to be reviewed, however, site contact plans to postpone the reviews until any future stocking is confirmed. The reviews will be completed to take in to account any species that are stocked.

FISH HEALTH INSPECTORATE VISIT REPORT

SUMMARY FOR INFORMATION OF SITE OPERATOR

BUSINESS No	FB0374	DATE OF VISIT	19/07/2021
SITE No	FS0991	SITE NAME	Marine Hatchery
CASE No	20210264	INSPECTOR	[REDACTED]

The above site was inspected in accordance with the Aquatic Animal Health (Scotland) Regulations 2009.

On this occasion, the site was found to be fallow. There are no plans to restock the site at this time, however, the operator would prefer that the site remained active. Please ensure that a biosecurity measures plan and appropriate records are maintained in accordance with the authorisation granted to operate at the site and contact us if the site is to be restocked in the future.

Please contact myself or the duty inspector should you require any further information or have any queries regarding this report.
