## **Additional Case Information:**

Site holding stock for Bakkafrost Scotland and Loch Duart, most stock on site due to go off as 2023 S1, some are to be held on site for use as broodstock and will be moved to the Broodstock Unit. 10 tanks of S0 smolts still on site and due to go to sea first week of November 2022.

No issues noted or observed on site during inspection. No fungus observed on stock, water very peaty at time of inspection. Fish sampled for VMD appeared healthy.

Good biosecurity, footbaths and hand sanitiser available between different units.

Vaccination of S1 stock planned for January 2023.

Low transfer mortalities were reported for recent S0 transfers and S1 transfers earlier in year.

Site never fully fallow, individual areas are fallowed and cleaned and disinfected.

## FISH HEALTH INSPECTORATE VISIT REPORT

## SUMMARY FOR INFORMATION OF SITE OPERATOR

Business No FB0061 Date of Visit 11/10/2022

SITE NO FS0575 SITE NAME Ormsary Smolt Unit

CASE NO 20220498 INSPECTOR

Inspection under the Animals and Animal Products (Examination for Residues and Maximum Residue Limits) (England and Scotland) Regulations 2015

The above site was visited in accordance with the Animals and Animal Products (Examination for Residues and Maximum Residue Limits) (England and Scotland) Regulations 2015.

Samples were taken to be analysed for veterinary residues.

The Inspector did not observe any clinical signs associated with the listed diseases as described in the Aquatic Animal Health (Scotland) Regulations 2009.

## Records

The information required for the public record of aquaculture production businesses regarding this site was verified and where necessary updated.

Medicine records were inspected and found to be adequately maintained.

Aquaculture animal and aquaculture animal product movement records were inspected and appeared to be adequately maintained.

Mortality records were inspected and found to be adequately maintained.

Please contact myself or the duty inspector should you require any further information or have any queries regarding this report.

Signed: Date: 05/12/22

Fish Health Inspector
